New South Wales Primary Principals Association

Suite 1.04 & 1.05 22-36 Mountain Street ULTIMO www.nswppa.org.au

Colleagues,

State membership fees are determined at the NSWPPA Annual General Meeting held during State Conference each year, voted on by delegates from each Primary Principals Council.

N.B. Members who currently salary deduct are not required to complete any additional or new forms

NSWPPA 2022 Affiliation fees are (no change from 2020 and 2021 fees):

- \$600.00 (GST inclusive) for Primary School Principals, SSP Principals and EEC Principals (\$23.08 per fortnight)
- \$300.00 (GST inclusive) for Central School Principals (\$11.54 per fortnight)

Membership payment is via salary deduction. Principals pay their membership fee through salary deduction by simply completing the attached form. Unless otherwise advised, this deduction will commence from the first pay period after the Department has processed the request and is for \$23.08 per fortnight (\$11.54 for Central School principals). The amount paid will be noted under Miscellaneous Deductions on the salary slip. The total amount paid for each financial year will be noted on your Group Certificate under Other – PRIPA. This is your receipt for taxation purposes. Payment from your salary will continue until Salaries are notified in writing (email satisfactory) that deductions are to cease. This is a simple and effective way of paying your fees. Sanctioned membership fee increases (as set by the AGM) will be applied automatically.

The salary deduction option is available at any time throughout the year. If you elect to have the fees deducted during the year and not at the start of Term 1 please contact me and I will either send you an invoice for fees, backdated to January, or refund fees you have already paid.

Relieving and Acting Principals

Relieving and Acting Principals who are in the role for an indefinite period should complete the salary deduction form and submit it to the email address on the bottom of the form.

Relieving and Acting Principals who are in the role for a known fixed period will have their membership payment calculated for this period based on \$23.08 per fortnight (\$11.54 for central school principals). Membership is considered a personal expense (not school) and stays with the individual if they move schools. Once calculated, the payment should be made via direct deposit to the NSWPPA (account details below). Assistance in making the calculation may be obtained from either the State Treasurer or your Area Treasurer.
