

Encourage your teachers to retrain in a high-demand subject area!

If you know a teacher who would make a wonderful mathematics or science teacher, let them know that applications for STEM scholarships for Science and Mathematics are open until Friday, 8th December.

As a science or mathematics scholar, they will receive:

- \$5,000 per year of study
- \$300 general purpose allowance
- up to eight days study leave per year of study
- \$2,500 study completion grant
- a permanent teaching position in a NSW public school in an agreed location on completion of studies.

Up to 80 STEM Scholarships for Science and Mathematics are available for study commencing in 2018.

Visit www.teach.nsw.edu.au for more information, or contact us if you have any questions at sponsoredtraining@det.nsw.edu.au or phone **1300 300 634**.
